

## Hill Natural Extract

...Because purity can never be sacrificed...

Do not sacrifice with the quality of pure herbal extracts for affordability, Hill Natural Extract makes sure you get the best in the most competent prices.

Welcome to  
**HILL NATURAL EXTRACT.**  
..where quality is guaranteed!

## Hill Natural Extract

Reliable. Responsive. Refined

### What makes Hill Natural Extract the best choice for you?

Nutraceutical Manufacturing

We are a trusted contract manufacturing service provider for clients in India and abroad. Our in-house team makes sure all nutraceuticals and herbal extracts manufactured by us are well-tested and safe. We give you the freedom to choose the type of packaging you require-powdered, capsules, or extracts. You name it, we got it!

### Exemplary Research and Development

Hill Natural Extract's research laboratory is committed to introducing innovative measures to ensure new enterprising methods of packaging and quality assurance. Our motto is to constantly strive to improve productivity and sustainability while establishing a synergy between both aspects. We believe in perfection!

### Reliability and Quality

Our firm belief in delivering quality natural extracts within the promised time frame makes us a reliable partner you'll love to work with. Our manufacturing and packaging processes have gone through rigorous quality checks to ensure you get the best. All our products meet the international standards of quality and purity.

### Join hands with Hill Natural Extracts. We assure:

- Ethical business practices and sustainable manufacturing.
- International standardized high-quality herbal extracts, nutraceuticals extracts, -cosmeceuticals, phytochemicals, and Botanical extracts.
- Consultancy services to help you manufacture high-quality herbal extracts. We provide machinery and instruments required to establish new plants and labs.
- Consultancy services, including machinery and lab instruments, for pharmaceutical companies.
- Options for contract manufacturing.
- Reliable on-time delivery for merchants and exporters.

## About Us

From processes to products, our sole focus is on Purity... Preservation... Perfection...cause you deserve the best

Hill Natural Extract is one of the leading traders in India dealing in all herbal extracts, phytochemicals, food & nutraceutical supplements, ayurvedic & healthcare products, and prescription-based pharmaceutical products.

We are a brand synonymous with quality. All our products are available in the purest form obtained after following an advanced extraction process.

We follow the world-renowned GMP standards for the production processes and quality check procedures.

We are the producers, suppliers, and marketers of herbal extracts, fruit extracts, veggie extracts, nature-identical flavors, spice & herbs, oleoresins, phytochemicals, essential oils, healthcare products, and personal care products.

Hill Natural Extract also offers consultancy services to industries across the spectrum. This includes providing machinery support to set up new herbal extraction plants. We help develop laboratories by providing state-of-the-art lab Instruments.

We are widely known for the consultancy support services we extend to pharmaceuticals companies, including all machinery and lab instruments support.

## Our Vision

We envision providing the highest quality natural products in the wake of growing global awareness for all things herbal and natural. Being an ethical and sustainable brand, we aim to provide only responsibly sourced purest products. Our corporate ethos reflects our commitment towards the nation, society & earth.

## Our Mission

We are on a mission to set up the most modern state-of-the-art manufacturing facilities throughout the country. Products manufactured at these facilities follow rigorous quality control standards, assured and governed by qualified and experienced scientists. Our mission extends to incorporating maximum customer satisfaction by providing highest-quality products and reliable services.

**We believe in letting our quality speak for us!**

Grape Seed Extract	Vitis Vinifera	OPC 95%	UV	Antioxidant

## OUR PRODUCTS

### Fruit Powder

Product common name	Botanical name	Part used	Uses & application
Acerola Fruit Powder	Barbados Cherry	Fruit / Juice	Food Supplement
Amla Fruit Powder	Phyllanthus Emblica	Fruit / Juice	Cosmetics & Food Applications
Apple Fruit Powder	Malus Domestica	Fruit / Juice	Food Supplement
Apricot Fruit Powder	Prunus Armeniaca	Fruit / Juice	Food Supplement
Banana Fruit Powder	Musa	Fruit Pulp	Food Supplement
Black Currant Fruit Powder	Ribes nigrum	Black currant Juice concentrate / Fruit	Vitamins Superpower
Blackberry Fruit Powder	Rubus	Blackberry Juice Concentrate / Fruit	Cosmetics & Food Applications
Blueberry Fruit Powder	Cyanococcus	Blueberry Juice Concentrate / Fruit	Food Supplement
Coconut Water Powder	Cocos Nucifera	Coconut Water	Food Supplement
Cranberry Fruit Powder	Vaccinium	Cranberry Juice Concentrate / Fruit	Food Supplement
Custard Apple Fruit Powder	Annona reticulata	Fruit pulp	Food Supplement
Date Fruit Powder	Phoenix dactylifera	Fruit	Food Supplement
Fig Fruit Powder	Ficus carica	Fruit	Dry Mixes & Supplements
Grape Fruit Powder	Vitis Vinifera	Juice concentrate / Fruit	Food supplement
Guava Fruit Powder	Psidium Guajava	Fruit	Food supplements
Lemon Fruit Powder	Citrus Limon	Juice concentrate / Fruit	Food supplement
Lime Fruit Powder	Citrus aurantiifolia	Juice concentrate / Fruit	Food supplement
Litchi Fruit Powder	Litchi chinensis	Juice / Fruit Pulp	Food supplement
Mango Fruit Powder	Mangifera Indica	Juice / Fruit Pulp	Food supplement
Orange Fruit Powder	Citrus Sinensis	Juice / Fruit Pulp	Food applications
Papaya Fruit Powder	Carica Papaya	Juice / Fruit	Food supplements
Pineapple Fruit Powder	Ananas A. Comosus	Juice / Fruit	Food supplements
Pomegranate Fruit Powder	Punica Granatum	Juice / Fruit	Food supplements
Raspberry Fruit Powder	Rubus Idaeus	Juice concentrate / Fruit	Food supplements
Sour/Tart Cherry Powder	Prunus cerasus	Juice concentrate / Fruit	Food supplements
Strawberry Fruit Powder	Fragaria Ananassa	Juice concentrate / Fruit	Food supplements
Sweet Cherry Fruit Powder	Prunus avium	Juice concentrate / Fruit	Food supplements
Tamarind Fruit Powder	Tamarindus Indica	Fruit Pulp / Juice	Food supplements
Watermelon Fruit Powder	Citrullus Lanatus	Fruit Juice	Food supplements

### Vegetable Powder

Product common name	Botanical name	Part used	Uses & application
Beet Root Juice Powder	Beta Vulgaris	Beet Juice concentrate	Food supplement & coloring
Bitter Gourd Juice Powder	Momordica Charantia	Juice	Nutraceutical and Food supplement
Cabbage Powder	Brassica oleracea var. capitata	Cabbage	Food Supplements
Carrot Powder	Daucus carota subsp. sativus	Carrot or Juice concentrate	Food supplement
Cucumber Powder	Cucumis sativus	Cucumber	Food Supplement
Mushroom Powder	Agaricus Bisporus	Mushroom	Food supplement & Nutraceutical
Spinach Powder	Spinacia oleracea	Spinach	Food supplement & Nutraceutical
Tomato Powder	Solanum Lycopersicum	Fresh Tomato or Paste	Dry mixes & Seasoning

### Oil Fat Powder

Product common name	Botanical name	Uses & application
Borage Oil Fat Powder	Borago officinalis	Nutraceutical
Coconut OilFat Powder	Cocos Nucifera	Nutraceutical & Food supplement
Evening Primrose Oil Fat Powder	Oenothera	Nutraceutical
MCT Oil Fat Powder	Medium Chain Triglyceride	Nutraceutical and Food supplement
Mustard Oil Fat Powder	Brassicaceae	Food Supplement
Palm Oil Fat Powder	Elaeis	Nutraceutical & Food supplement
Sunflower Oil Fat Powder	Helianthus	Nutraceutical & Food supplement
Grape Seed Oil Fat Powder	Vitis vinifera	Nutraceutical & Food supplement
Flax Seed Oil Fat Powder	Linum usitatissimum	Nutraceutical & Food supplement

## Dairy Products

### Cheese Powder

Product common name	<b>Cheese Powder</b>
Type	Cheddar Cheese Powder
Standardized For	Protein & Fat

### Non Dairy Creamer

Product common name	<b>Non Dairy Creamer</b>
Part used	Palm Oil
Uses & application	Whitner & Milk replacer

### Whey Powder

Product common name	<b>Whey Powder</b>
Standardized For	Protein
Uses & application	Food supplement

### Yoghurt Powder

Product common name	<b>Yoghurt Powder</b>
Part used	Milk
Uses & application	Food supplement
